Triodos Fair Share Fund provides private debt and equity to financial services providers that empower people and small businesses across the globe.

The fund has sustainable investment as its objective as set out in **article 9 of the SFDR**. The sustainable investment objectives of Triodos Fair Share Fund are:

- to promote individual wellbeing through the advancement of financial inclusion;
- to support the transition to equitable and sustainable local economies; and
- to transform the financial system for a sustainable future.

The product may be exposed to risks. Please refer to the prospectus and the PRIIPs KID for more detail.

Highlights

- Monthly return was 0.6% (YTD: 2.1%), resulting from stable performance on the debt and equity portfolio.
- Investments amounted EUR 2.3m (vs EUR 16.3m repayments). In March TFSF sold its equity stake in Sonata (India) as well as partially exited its investment in KMF (Kazakhstan).
- Stable global monetary policy and rising commodity prices bolster emerging markets. US economic expansion persists, driven by a strong labor market, while China and the eurozone see improved growth prospects. Global inflation decreases, primarily due to lower food prices, though at a slower rate. Rate cuts in Colombia, Chile, and Brazil ease borrowing costs.

This is a marketing communication. Please refer to the prospectus and the KID of the Triodos Fair Share Fund before making any final investment decisions. An overview of the investor's rights can be found in the prospectus. The value of your investment can fluctuate because of the investment policy. Triodos Fair Share Fund is managed by Triodos Investment Management. Triodos Investment Management holds a license as alternative investment fund manager and UCITS and is under the supervision of the Dutch Authority Financial Markets and the De Nederlandsche Bank.

Triodos Fair Share Fund was established in 2002. The fund is a mutual fund listed at Euronext Amsterdam (segment Euronext Fund Services). Triodos Fair Share Fund is managed by Triodos Investment Management BV and is registered with the Dutch Authority for the Financial Markets (Autoriteit Financiële Markten, AFM). The value of the fund is determined partly by the developments on the financial or other markets. Avoid unnecessary risks. Information on leverage is included in the prospectus and the annual report. Leverage is defined by the AIFMD as being any method by which the AIFM increases the exposure of a fund, whether through borrowing of cash or securities, or leverage embedded in derivative positions, or by any other means. Please read the Essentiële Beleggersinformatie (in Dutch) and the prospectus (in Dutch). Please refer to the Essentiële Beleggersinformatie and the prospectus for further information about the costs and risks that apply specifically to this fund. Both may be downloaded via www.triodos-im.com. This information was compiled with care by Triodos Investment Management BV. No rights can be derived from this information.
