**PROPOSALS**

1.01 **Elect Jeffrey W. Eckel**
Chairman and CEO. Combined roles at the head of the Company. There should be a clear division of responsibilities at the head of the Company between the running of the board and the executive responsibility for the running of the Company’s business. No one individual should have unfettered powers of decision. Combining the two roles in one person represents a concentration of power that is potentially detrimental to board balance, effective debate, and board appraisal.

2 **Appoint the auditors**
Ernst & Young LLP proposed. Non-audit fees represented 20.07% of audit fees during the year under review and 20.69% on a three-year aggregate basis. This level of non-audit fees does not raise serious concerns about the independence of the statutory auditors. However, the current auditor has been in place for more than ten years. There are concerns that failure to regularly rotate the audit firm can compromise the independence of the auditor. Triodos opposes this resolution.
