### SUPPORTING INFORMATION FOR RESOLUTIONS
Proposal 2.1 - Elect Seki Tsuneyoshi as Corporate Auditor
The traditional governance structure for Japanese companies (Kansayaku) involves the appointment of corporate auditors. Large Japanese companies are required to form a board of corporate auditors with powers to examine board activities and oversee financial reports. Such companies are required by law to appoint at least three statutory auditors to the corporate audit board. At least half the corporate auditors must qualify as ‘outsiders’. Beyond this legal minimum, it is considered to be best practice that boards of corporate auditors should be composed wholly of outsiders. New appointments are therefore considered in the context of their effect on the balance of independence.
Note: It is considered that the corporate auditor board will be 60.0% independent following the Annual Meeting.
