5 Ratify Deloitte GmbH as Auditors for Fiscal Year 2021  Deloitte proposed. Non-audit fees represented 12.38% of audit fees during the year under review and 11.52% on a three-year aggregate basis. This level of non-audit fees does not raise serious concerns about the independence of the statutory auditor. The current auditor has been in place for more than ten years. There are concerns that failure to regularly rotate the audit firm can compromise the independence of the auditor. Triodos opposes this resolution.

6 Approve Remuneration Policy  It is proposed to approve the remuneration policy. Variable remuneration appears to be consistently capped, and the payout is in line with best practice. The company has not disclosed quantified targets for the performance criteria of its variable remuneration component, which as a consequence may lead to overpayment against underperformance. In addition, there are no claw back clauses in place over the entirety of the variable remuneration component which makes it unlikely that shareholders will be able to reclaim any variable remuneration unfairly paid out. Triodos opposes this resolution.
