

Press Release

Martijn van Oort joins Triodos Investment Management as Managing Director Finance, Risk & Operations

Driebergen-Rijsenburg, the Netherlands, 17 April 2025 - Triodos Investment Management is pleased to announce the appointment of Martijn van Oort as Managing Director Finance, Risk & Operations. He will take up his new position on May 6, 2025.

Martijn van Oort has an extensive track record of almost 25 years in the field of both finance and risk. He has held various senior management positions in the financial sector, having previously worked for Robeco, KPMG Risk Advisory and Van Lanschot Kempen. In the past 5 years, he was active as an independent interim manager, working on a variety of assignments for multiple financial institutions and DNB.

Martijn van Oort: "Throughout my career I have always taken an interest in Triodos' sustainable proposition and mission, which is more urgent than ever. I feel honoured and proud to become part of this wonderful organisation and am fully committed to using my knowledge and experience to further grow and increase the impact of Triodos Investment Management."

As per 6 May 2025, the Management Board of Triodos Investment Management will consist of the following three board members: Dick van Ommeren (Chair of the Management Board), Hadewych Kuiper (Managing Director Investments) and Martijn van Oort (Managing Director Finance, Risk and Operations).

About Triodos Investment Management

For over 30 years, Triodos Investment Management has been connecting investors who want to put their money towards lasting, positive change with innovative entrepreneurs and sustainable companies that are doing just that. In this way, Triodos Investment management acts as a catalyst in those sectors that play a key role in the transition to a fairer, more sustainable and more humane world.

Triodos Investment Management's investment activities focus on five interconnected transition themes: the food transition, the resource transition, the energy transition, the societal transition, and the wellbeing transition. Its mission as a financial player is to enable and accelerate these essential transitions. Assets under management at the end of 2024: EUR 5.8 billion.

Triodos Investment Management is a wholly owned subsidiary of Triodos Bank and a globally active impact investor.
